

Prime Fresh Limited

India's leading post-harvest fresh Fruits and Vegetables Supply Chain Enterprise

About Us

Founded in the year 2007, Prime Fresh Limited is headquartered in Ahmedabad and Listed on Bombay Stock Exchange (India) is a leading Post harvest management company focused on Fresh Fruits and vegetables supply chain for several verticals across industries locally & globally.

PRIME FRESH has been a well-established player mastering the core activities from sourcing across different states of India to distribution of Fruits & Vegetables through multiple platforms (Domestic & Global markets). Prime has successfully built a huge network of Farmers, aggregators, various cold storages, pack houses, transportation services and other supply chain partners for all kinds of fresh Fruits and Vegetables. Prime is providing employment directly & indirectly to more than 100000+ people across India.

Prime Fresh Limited credits a huge experience since 2007 in sourcing, handling, sorting & grading, warehousing, ripening, storage, packing and delivery of Fresh Fruits and vegetables. Prime deals with Modern trade, Exports sector, wholesale & APMC, Retail, Corporate supply, Supply to food processing companies and General trade. Prime Fresh has built a wide network of over **1,20,000+ Farmers, 85+ Agriculture Markets & 2400+ Trade Partners, 30+ large corporate B2B buyers, 20+ Exporters, Network in 6 countries for Exports.**

Prime Fresh has been a service provider, supplier & packer for India's largest retailer, India's largest exporters and manager of pack houses since the year of 2007. We aspire to develop and scale up the business by building new relationships for Multi-platform Fresh Fruits & Vegetable distribution along with farmers and all other stakeholders.

Prime Fresh embraces a long-standing track record and experience of working with large corporate groups across **Modern Trade, Exporters, HORECA, APMCs and Super markets** in India and world over. Our Core Leadership Team of 25+ Agri Experts have average experience of 24 years each across the entire value chain from Seed to Farming to Processing & Distribution of various Agricultural Produces.

Prime Fresh Limited works with strong ethics and abides by government compliances. Company is ISO certified and rated by **CRISIL**. PRIME FRESH holds several licenses like **FSSAI, APEDA and APMC Ahmedabad**.

Prime Fresh allies for a long term with potential farmers, buyers & sellers of Fruits and vegetables to ensure that they can execute reliable, consistent, ethical and smooth supply chain management services by providing a solid bridge between all the channel partners. Prime Fresh always looks forward to associate with industry players and scale up the Fruits & Vegetables supply chain operations through mutually viable structures and models.
